

Osborne Primary School Newsletter Autumn Issue 1 – 09.09.22

Headteacher's Message

Dear Parents/Carers,

It has been lovely to welcome our children and families back to school this week. We are very PROUD of how SMART the children all look in their school uniforms. We have also been very IMPRESSED with how well the children have settled back into school. It has been lovely to welcome our new members of staff and new children this week too, please help us to make them feel part of the Osborne Primary School family. Thank you everyone for a fantastic first week back and for bearing with us whilst we get our new systems up and running in our school office. Please note moving forward a weekly newsletter will be sent via Marvellous Me and will also be available on our school website.

Best wishes,
Mrs Lisa Dodd
Headteacher

REPORTING ABSENCE

Good attendance at school is very important and we have a target of 97% attendance for all pupils.

Parents/Carers must inform school by 9am of any absence explaining the reason for your child's absence. School will rigorously follow up any cases of unexplained or frequent absence, including home visits.

Authorisation cannot be given for any holiday absence during term time. In previous years, parents have been fined for their child's absence due to a holiday in term time.

SAFEGUARDING AND PASTORAL CARE

Osborne Primary School and The ATLP are totally committed to safeguarding and promoting the welfare of children. We recognise that this is the responsibility of everyone; all staff, trustees, governors and visitors have an important role to play.

We fully understand the role we play in safeguarding the youngest and perhaps most vulnerable members of the community and how through good multi agency working it can help protect those too young to protect themselves.

At Osborne, we know that, at times, children and their families can experience difficulties. Our Inclusion Team can provide support to pupils and their families during these times. We work closely with a variety of outside agencies in order to ensure that our pupils and their families receive the best possible support.

In the interest of safeguarding children there may be occasions when the school has to consult other agencies without a parent's prior knowledge. The school's first concern is the child's welfare and the school has a duty to act to protect the child at all times. Such consultation may result in a formal referral which could prompt visits from Social Care, Health and/or the Police.
