STRIKE ACTION

You may be aware from media coverage that The National Education Union (NEU) have declared strike action, which will take place on the following dates:

- . Wednesday 1st February 2023
- . Wednesday 1st March 2023
- . Wednesday 15th March 2023
- . Thursday 16th March 2023

The strike relates to a national dispute between the Trade Union and the government, it is not related to any issues at our school.

Some staff within the school are members of this union and therefore the school may be affected by the strike action. Staff are not compelled to tell us if they intend to strike nor are they required to set cover work. However, we are working with our school representatives to manage the situation as best we can.

At this stage, school will be open as normal tomorrow and on the following strike dates. If there are any changes to this, families will be notified via Marvellous Me.
