Dear Parent/Carer,

We have now received a final copy of our Ofsted report following the inspection that took place on 20th and 21st February 2024.

I am delighted to share with our parents and carers that Ofsted have judged that Osborne Primary School is securely GOOD in all areas. As a team, we are extremely PROUD of this positive outcome, which is a testament of the care and commitment of our staff, the support of our parents and carers, and of course, a celebration of our wonderful Osborne children.

Our Ofsted inspection report recognised that children at Osborne Primary School 'behave well at all points of the day and are polite and well mannered'. The report acknowledges the strength of relationships between staff and pupils, stating, 'The mutual respect between adults and pupils is clear to see. Pupils feel listened to'.

The inspectors considered the quality of education that we as a school provide, stating that 'The school expects each pupil to be the very best they can be. They have high ambitions for everyone.'

The full report is attached to this email. The report will also be available on our school website and will be published on the Ofsted website shortly.

As a school, we are excited to continue on our journey to further improve the education and experiences we bring to our children, and the role we play in our wider community. Finally and most importantly, I would like to thank all our children for being exceptional ambassadors for our school; the staff for their hard work and dedication; the parents and carers who either spoke with inspectors or provided feedback online and our academy trust for their ongoing support.

In recognition of Team Osborne's hard work, we will be hosting a celebration event at school on Friday 12th April. More information about this event will follow.

Kind Regards,

Mrs Lisa Dodd
