

# Osborne Primary School Newsletter Issue 5 24.05.24

## HEADTEACHER'S MESSAGE

Dear Parents/Carers,

Since our return from the Easter break, our children have continued to work hard and make pleasing progress. We have been especially PROUD of our Year 6 pupils who have all put 100% into their SATs assessments this week. Over forthcoming weeks, our Year 2 children will also be completing quiz booklets, Year 4 will have their multiplication screening check and Year 1 will complete a phonics screening check. Please support your child at home by hearing them read, by encouraging them to use our home learning apps on their iPad and by ensuring that they have a good sleep routine. If you need any help with this, please speak to your child's class teacher or Kelly Brookes (Family Support Worker).

Best wishes,

Mrs Lisa Dodd - Headteacher

## USEFUL REMINDER

Recently we have seen lots of children coming into school wearing jewellery and shoes that are not part of the Osborne Primary School uniform. Please be reminded that children are only permitted to wear small stud earrings and a watch. **Necklaces, bracelets and hoop/dangly earrings are not permitted.**

Shoes should be plain black with a low heel (no more than 1 inch high), lace-up or slip on shoes with a strap and enclosed heels/toes.

School uniform rules are in place for the safety of all children.

Thank you in advance for supporting us with this.

# Summer term at Osborne

It has been a really busy year at Osborne and we are looking forward to the fun opportunities the children have to experience this term. Here are just a few things we have to offer!

### BIKEABILITY

This term, our year 4 children will spend a week learning how to ride a bike or improving their road safety skills. We are so excited to see them develop and grow in confidence!

### VIVE LA FRANCE!

On July 11th we will be celebrating all things French as part of our curriculum offer. Children will participate in traditional French playground games, sample French cuisine and further develop their knowledge of French culture and lifestyle. We are looking forward to sharing the day with you- keep an an eye out on X on the day!

### LAST TERM AT OSBORNE

Our fabulous year 6 children have worked really hard this year and have completed their SATS tests to the best of their ability. To ensure they have a memorable final term, we have plenty of exciting activities planned for them to enjoy. They will enjoy a relaxing day away from school bowling and eating pizza. They will also participate in an end of year production to showcase to the school and their families. We do hope they have fun and continue to enjoy learning whilst they are still with us.
