October edition

How to stay safe on Bonfire Night.

Whether you're going to your first ever fireworks display or you've been to loads before, it can be a really exciting experience and to have a great time it's even more important you stay safe at the same time.

So if you're using sparklers or standing near a big bonfire, make sure you're following all the safety advice from the organisers and be supervised by an adult when you do.

Follow these golden rules:

- 1) Stand well back from fireworks and bonfires.
- 2) Never touch fireworks. Only an adult who knows what they're doing should light them.
- 3) Always try to attend an organised event. Accidents can happen, so it's always best to let the professionals do it.
- 4) Always wear gloves when using sparklers and hold them at arms length - when its finished put them in a bucket of sand or water.
- 5) HAVE FUN and enjoy yourself!

West Midlands Fire Service

As Autumn takes hold, there are now only a few weeks until the clocks go back, and we celebrate Hallowe'en and Diwali. So now is the perfect time to check out tips for the safe use of candles:

<https://www.wmfs.net/safety/candle-safety/>

We know that many of you will also be thinking about how to heat your home in an affordable way. That's why we've created a dedicated page on our website about how to do so safely – with some information for people who might be finding the bills a struggle
