

OSBORNE HOME LEARNING

Reading at home

Reading at home every day for at least ten minutes will improve children's reading.

- Osborne pupils will bring home two reading books each week (this may not change each week based on the size of the book) in their Osborne book bag.

Books

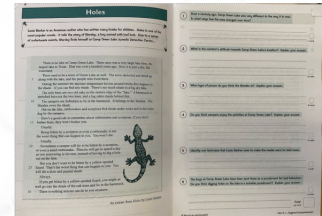

A colour banded book - this is a book your child should be reading independently.

A library book - this is a book your child has chosen because it interests them. You may need to support them with the reading or read it to them.

Note down what your child has read and any comments you have about their reading on Boom Reader.

- Y6 pupils will also have a reading activity available on Showbie every Friday. This needs to be completed by the following Thursday.

Online Home Learning

All pupils should access Oxford Reading Buddy or Reading Plus at home.

- Pupils read books allocated to them by Class Teachers.
- Pupils take quizzes to demonstrate their understanding of the book.

Spelling at home

Pupils in Years 3-6 will be working on set spellings each half term.

These spellings are listed on our school website in each year group's section of the website.

- Pupils will have 10 spellings per week.
- Children should practise these spellings at home at least three per week.

Practice 1: Child look at the spelling, say the spelling, cover the spelling, write the spelling and then check.

Practice 2: Child look at all of the spellings. Parent/Carer say the spelling, child write the spelling and then check. Repeat practice 1 for any incorrect spellings.

Practice 3: Child look at the spellings incorrect from practice 2. Parent/Carer say the spelling, child write and then check. Repeat practice 1 for any incorrect spellings.

OSBORNE HOME LEARNING

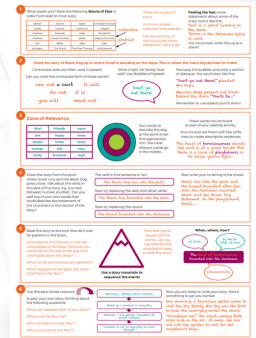

Writing and Grammar at home

CREATIVE WRITING

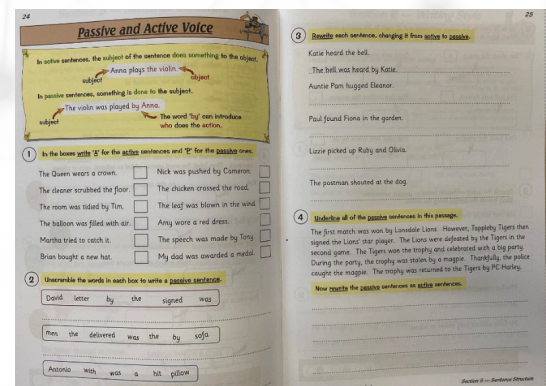

Home Learning Branches are sets of activities linked to your child's English lessons. These can be completed at home.

Your child will receive three Home Learning Branches per year.

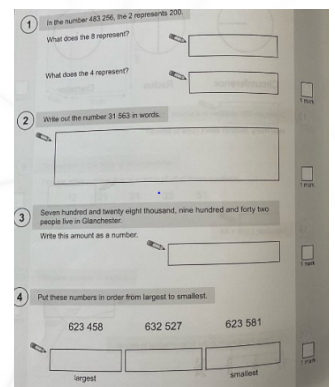

GRAMMAR

Pupils in Year 6 will receive grammar activities to help them to consolidate their learning. These will be available on Showbie every Friday and need to be completed by the following Thursday.

Maths at home

Pupils in Year 6 will receive maths activities to help them to consolidate their learning. These will be available on Showbie on Fridays and need to be completed by the following Thursday.

Online Home Learning

All pupils have a login for Times Tables Rockstars/Numbots.

Children should be practising maths skills at least three times per week at home.
