

## HEADTEACHER'S MESSAGE

Dear Parents/Carers,

As we approach the end of another busy term, I want to take a moment to share how incredibly proud we are of all our children. This week, they have been working exceptionally hard on their assessments, showing great focus and determination. It has been wonderful to see their enthusiasm and dedication and we are so impressed by their effort and resilience.

With the warmer weather now upon us, I would like to remind all families that children are welcome to remove their jumpers or cardigans during the day. However, it is important that these items are clearly labelled with your child's name to prevent them from being misplaced.

We also ask that children bring a water bottle to school each day. Please remember that these should only contain water or light squash, as we aim to promote healthy hydration. Fizzy drinks, energy drinks, and strong juices should be kept at home.

Finally, I would like to remind everyone that school will break up for the Easter holidays on Friday 11th April. We hope that all of our children have a relaxing and enjoyable break and come back refreshed for another term of exciting learning when school resumes on Tuesday 29th April.

Thank you for your continued support, and I wish you all a wonderful holiday.

Warm regards,  
Mrs Lisa Dodd  
Headteacher

## KEY DATES

- 07.04.25-09.04.25 - Y5 trip to Whitmoor Lakes
- 08.04.25 - Y2 RE visit to Masjid Al Falaah
- 10.04.25- Y3 visit to Botanical Gardens
- 11.04.25 - School closes for end of term
- 28.04.25 - Teacher Training Day- school closed to pupils
- 29.04.25 - Pupils return to school

## LOCAL TRAFFIC CONCERN

We have had reports from some of our families about cars not stopping at the red light on Station Road.

Please be careful if you use this crossing and take extra care to ensure that you check traffic before you cross. If you can, please use the School Crossing Patrol to guide you safely.

## RRSA NEWS

### SUSTAINABLE DEVELOPMENT GOALS

Next term we will be learning about SD Goals and choosing one per class that we are going to work towards achieving. Click on the link to watch the video to learn more. Why not share some ideas with your child at home to get them started?

[SD Goals](#)

## DT Curriculum evening

On Thursday 3rd April we organised a special evening for you to come and explore how we teach and learn about DT in school. Take a look at how we got on!

Please follow us on 'X' (formerly Twitter) @OsbornePriSch to keep up to date!

# Homework Projects

From the Summer term we are introducing a way of getting you even more involved with your child's learning! Homework projects are a fun way to get creative and help your child engage with their learning even further.

The first project will be linked to the History topic your child will be learning about. Look out for the information poster from the class teacher with some ideas to get you started.

Here are some great examples  
of projects that could be made at home!  
Feel free to be as creative as you like.

Y6 WW2 Anderson shelter

Entries do not have to be art based. Write a story, letter or report if you prefer!

Y2 model plane

Y1 Local area 3d model

Y3 model of the Parthenon
